

# Blair Animal Hospital

Dear Valued Clients:

It is my pleasure and privilege to welcome our new associate, Dr. Gary Glickman, DVM. With over 13 years of practice in veterinarian medicine, Dr. Glickman brings an added addition to our growing practice. Together, with our team of professionals, we will continue to provide the highest quality of veterinary care to our clients. Our practice will be offering additional hours of service to our clients and expanding our in-house surgical procedures. At the request of our valued clientele, we will be expanding our grooming services to two days a week, Saturday and Monday. Additionally, we will be open extended hours on Monday from 8:00am to 8:00pm.

This is a wonderful opportunity to thank you for your continued support of Blair Animal Hospital. You and your pet are a valued part of our extended family.

In appreciation for your business, during these difficult economic times, we are enclosing some discount coupons for your pets' annual wellness exams, vaccinations and routine dental care services. Additionally, a discount is offered below, for your Hills Prescription Brand Diet Food cases or bags for April and May purchases.

Regular office visits and dental visits are essential for your pet's health. Dental disease is 100% preventable, taking care of your pet's teeth and gums will help your pet live a happy and healthy life.

We are most grateful for your continued support and look forward to seeing you. If we can be of assistance to you, please don't hesitate to contact us. As always, we remain at your service.

With sincere appreciation,

Dr. Evan Blair, DVM

Dr. Gary Glickman, DVM
